feeling a vibration

We are surrounded by sound all the time. Sound has importance in our classroom life and plays an important role in our lives.

We identify sounds by different names. Lot of traffic...“noise”, Person Shouts.... “Loud”, Water sound.... “whisper”, Animal sounds..... “popcorn pop.” Clock sound “tick...tick”. *People talking... to understand each other..., Fire truck siren warns us for fire.... Machine beep to tell work is done Sound in nature or music..... Sound has purpose.*

“It’s moving... it is jumping, I am making sound”

graphic translations of sound

“sound is going”
